**Subject: Payment of compensation of the structure(s) on the acquired land -  
reg.**

Sir,

I am directed to say that while reviewing the LA in pipeline of NH Projects, it has been observed that in case of any dispute regarding payment of compensation of the structure on the acquired land, the compensation for both - land and structure, is kept on hold. However, it is appropriate that instead of withholding the entire payment, the payment of undisputed part of the acquired property shall be made forthwith, to minimize the 'interest' part.

2. It is therefore requested to issue necessary directions to all concerned dealing with land acquisition, for further necessary action in this regard.

Yours faithfully,
